Join us for a summer of fun starting Tuesday June 4

Please note :

- The Big Pool requires that children 6 and under must have a responsible 14+ year old guardian within arms reach at all times and be able to provide immediate assistance.
- Although your child may be 7 years old, there are several factors to consider when not making yourself able to provide immediate assistance including : their maturity level for dealing with emergencies, their ability to swim, their ability to respond to uncertain situations, any physical or emotional issues that could impair abilities or judgement and how busy the pool the is. Parents are **STRONGLY** urged to supervise their children at the pool regardless of their age.
- If you are witness to an unsafe or emergency situation or faulty equipment, notify a staff member immediately.
- The Paddling Pool is an unsupervised swimming area. No child is allowed to enter this area without an 18+ responsible adult. If you are aware of unsupervised children, please notify the lifeguard immediately.
- To swim in the deep end, children will be required to swim 4 widths or be in level 4.
- No food or drink or outside footwear is permitted. We do encourage water bottles!
- Children who are not potty trained must wear disposable diapers.
- Patrons are not to take photos without discussion with the lifeguard.
- Lifeguards are an important safety feature but they are not intended to replace the close supervision of parents or caregivers.
